Honorable Judge Margo K. Brodie  
United States District Court  
Eastern District of New York  
225 Cadman Plaza East  
Brooklyn, NY 11201

Dear Hon.. Judge Brodie  
Greetings,

Please take note: that this defendant was arraigned on a complaint before Magistrate Judge Roanne L. Mann on September 14, 2015. It has been over 21 days since arraignment and this defendant did not receive any discovery material in regards to the above criminal matter. On October 16, 2015 I was arraigned on the initial indictment and a plea of NOT GUILTY on all counts was entered by this defendant. During the proceedings the Government has stated that discovery and a plea agreement will be disclosed to defendant within the next two weeks. An order of excludable delay was entered on record.

On October 30, 2015 the Government filed a letter providing discovery pursuant to Rule 16 of the Federal Rules of Criminal Procedures as to defendant Dwayne Myers.

Notably: Until this very day this defendant has not received any discovery material pursuant to the above criminal matter.

Therefore, I am respectfully requesting that the Honorable Court order the government or defense Court appointed attorney to provide this defendant with discovery material as well as the prior and current plea agreement from government. Additionally, I have had no communication with CJA court appointed attorney Mr. Len Kamdang ESQ. Both myself and my loved ones have left numerous voice messages for Mr. Kamdang, and he has yet to respond to any message. This is a clear violation of my 6th Amendment right to counsel.

Thank you for your time and consideration in these regards Your Honor.

Respectfully Submitted,  
  
Dwayne Myers

A photograph of a postcard. At the top left, it says "NEW YORK ZOO" and "200" with a blue postmark. Below that, it says "DEC 03 2019 PM 9". In the center, there is a red circular postmark with the letters "SN". To the right, there is a rectangular stamp for the "MEDAL OF HONOR" with "ARMY/FOREVER/USA" at the bottom. The background of the postcard is white.
